

1-2-1 Driving Assessment

Course Code: M/H/027

Course Aims: Drivers will be taught a systematic approach to hazards and defensive driving techniques to minimise risk in the driving environment. The principles will then be applied to the three main driving environments – town, country and motorway.

Suitable For: All business, fleet and 'grey fleet' drivers

Duration: 1 Day

Location: Corby UK

Accrediting Body: ADI

Course Outline

Qualification attainable:

Course Content:

- Group discussion covering contributory causes of accidents
- Practical coaching session covering the application of defensive driving principles
- Licence check and vehicle check
- Demonstration drive and individual driving assessments with coaching and advice
- Validation of learning points and key areas for improvement, and a qualified performance report
- Observation skills
- Anticipation of potential hazards

At the end of the session, the delegate and manager will have access to an in-vehicle training report, which will detail areas for improvement and indicate the level of risk the driver is currently performing at.
